Thomas H. Lutsey-Waseda Farms Scholarship Application Financial Information Requirements

The Thomas H. Lutsey-Waseda Farms Scholarship requires students to demonstrate a financial need as determined by the Free Application for Federal Student Aid (FAFSA). Families with an Expected Family Contribution (EFC) of \$20,000 or less are eligible to apply for the scholarship.

All students applying for the scholarship must complete the FAFSA and submit the Student Aid Report (SAR) to the scholarship office. Please start this process immediately as it can take a few weeks for application processing and information to become available.

Obtaining and Submitting Your SAR:

- 1) Complete the FAFSA available at: www.fafsa.gov
- 2) Within 3-5 days after submitting the FAFSA, you will receive an email with instructions on how to access your SAR. Follow the instructions in the email to download and save your SAR. The document must be saved as a PDF file.
- 3) After successful completion of the online scholarship application, you will receive an email with a link to use to upload your SAR. Follow this link to complete the requirement.

Additional Family Financial Information

The Thomas H. Lutsey-Waseda Farms Scholarship would like to give families an additional opportunity to explain family finances as they directly relate to the EFC as determined by the FAFSA. The EFC will be provided to you in both a FAFSA confirmation email and through the SAR.

If a family's EFC is above \$20,000, we still encourage you to apply and invite you to share with us more information about your family situation. **You may still be eligible for the scholarship even if your EFC is above \$20,000.**

Submission of Other Financial Circumstances

If your EFC is above \$20,000 please submit a brief explanation of your financial situation to lisa.wright@lutsesy.org.
